English	V.good	More than 10 years	1 month or less

Programming Languages

Language	Years of Experience	Last Used
PHP	More than 5 years	1 month or less
C++	More than 5 years	2 month or less
HTML5+CSS3+Javascript	More than 4 years	1 month or less
VB.net	More than 3 years	1 month or less
jQuery	More than 3 years	
Database Platforms (mysql,SQL)	More than 3 years	

Previous Major Systems:

Students Results system	Garden city college for science and technology
Faculty web site	Garden city college for science and technology
Faculties Web sites	Neelain University
Subjects management Module	Neelain University
Faculty web site	White Nile college of science & technology

Subject I have Taught

- System analysis and design I.
 - System analysis and design II.
 - Database Concepts.
 - Application Database System.
 - Internet Technology I.
 - Internet Technology II.
 - Introduction to Network.
 - System analysis and design II.
 - Computer Network & Communication.
 - E-Commerce.
 - E-Learning.
 - Web programming.
 - Research Methods.
 - Distributed Information System.
 - Computer Network & Communication.
 - Electronic Indexing.
 - Library Internet Applications.
 - E-publishing.
 - Introduction to computer.
 - Electronic archive.
 - E- Information Services
-
